### HOW IT'S MADE

Cabernet Franc can, certainly in the north and east of France, be quite green and hard; however in the south of France the extra warmth and sun allow the grapes to ripen. A traditional vinification allows for a full expression of the varietal.

### TASTING NOTES

A bright, ripe, intense red berry nose with a light herbal note leads to a palate that is balanced, juicy, rich and crunchy with a long, lip-smacking, finish.

### FOOD MATCH

Works really well with BBQ or grilled red meats, sausage and mash, or lasagna.
